# About the Classes

## Tae Kwon Do (Ji Do Kwan Style)

This is the ancient martial art of Korea, developed over thousands of years, and is the most practiced martial art in the world. It improves self-esteem, self confidence, better concentration, respect, discipline, composure and self defense. Our training is traditional military style and non-contact. We teach control with every kick and punch. The training is in a family environment, with everyone encouraged to reach their own potential.
